

About Poq

Poq is a global Software-as-a-Service platform that empowers retailers and brands to create highly effective and fully customised native apps in record time. Apps allow them to build stronger brands, sell more products, deepen customer loyalty and deliver highly relevant content to their customers.

The Poq platform is the result of years of focus on retail apps and is proven to increase customer engagement and revenue. Clients include the largest brands and retailers, such as Hot topic, ELF, Ardene, Chicos,, Hotel Chocolat, the Cotton On Group and Studio Wow.

Founded in 2011, with regions in Europe, North America and Australia and New Zealand, It is Venture Capital backed having raised £16.5 million with the most recent round led by Smedvig, with participation again from previous backers Beringea and Meyer Bergman.
